

For many years, the Community Appearance Committee (CAC) has sponsored a Residential Awards Program in the spring/early summer months. The CAC solicits nominations from the community for residential properties worthy of consideration for this award. The nominations are judged by a qualified panel of experts and winners are selected for presentation before the City Council.

Judging will be based on the following criteria:

- * Are the grounds well maintained?
- * Is the plant material in a healthy condition?
- * Are the hard surfaces in good repair?
- * Are the furnishings in good repair?
- * Is/Are the building(s) in good repair?

Winning properties are identified on the City's website and are sometimes listed in other appropriate publications. In the past, photographs of some of the award winning homes are presented to the Keep Virginia Beautiful Awards Program.

Nominations should be sent to the CAC by completing the attached application form. Judging will be done in late May and an awards presentation will be scheduled for soon afterward.

(Information and application may also be found on line at <http://www.fairfaxva.gov/Host/cac/index.html>).

ENTRY FORM - RESIDENTIAL APPEARANCE AWARDS PROGRAM

Entry Name/Property Owner (If known): _____

Address: _____

Telephone (If known): _____
